Please take some time to read this information.

Keeping learners, staff and visitors safe is very important to us in Coventry Adult Education Service.

Safeguarding is about protecting adults and children at risk of abuse or neglect and we all have a part to play in keeping ourselves and others around us safe and free from harm.

We also have a duty to Prevent people from being drawn into extremism or terrorism. We support learners to express their views in a non-extremist way and discourage them to be drawn into violent or terrorist activities.
